Door Width	8'	9'	10'	12'	14'	15'	16'	18'	20'

- Unique recessed wood grain panel with vertical subpanels.
- Hot dipped galvanized pre-painted nominal 24 gauge steel.
- Heavy aluminum bottom retainer for extra strength with thick vinyl weatherstrip runs the entire length of the bottom to conform with the floor and seal out the elements.
- Rugged hot dipped galvanized tracks, brackets, wide body hinges, and full nylon ball bearing rollers. Torsion springs deliver years of trouble free performance and continuous smooth opening and closings.
- Colors: In addition to standard white, Advantage is also available in brown, almond and sandstone.
- Insulation: Energy efficient polystyrene insulation covered with a heavy white vinyl backing. Or energy efficient polystyrene insulation is pressure-bonded between two sheets of steel providing exceptional strength, durability, maximum insulation value and quiet operation.
- Calculated R-factor of 5.65 vinyl back
- Calculated R-factor of 9.4 steel back
- Windows: Decorative snap-in glazing inserts are available to compliment your homes architectural style.
- Backed by a limited lifetime warranty against splitting, cracking, and rust throughout.
